Exhibit
Two

I, Mellie Williams, being first duly sworn, state as follows:

Introduction

I am a Task Force Officer (TFO) with the United States Department of Justice, Drug Enforcement Administration (DEA). I have been a Task Force Officer with the DEA since June 2019. I have been employed by the Marion County Sheriff's Office since 2008. I am currently assigned to the Forrest County M.I.T. located in Hattiesburg, MS. During the course of my employment, I have participated in numerous investigations of illegal narcotics trafficking and violations of Title 21 United States Code.

Probable Cause Factual Basis

Your affiant states that on July 27, 2019, Agents with the Hattiesburg Post of Duty assisted officers with the Prentiss Police Department serve a state search warrant at 751 Tyrone Drive, Prentiss, Mississippi, occupied and controlled by Eric Dejuan JONES. When Agents arrived at the residence, JONES was secured and detained without incident. Agents then conducted a search of the residence and TFO Williams found a plastic bag containing 13.4 grams of alleged Methamphetamine, a ledger of alleged narcotics sales, and a set of digital scales on a coffee table in the living room. TFO Williams continued to search and found a hand bag behind the front door of the residence. Inside the bag was 50.7 grams of alleged Marijuana in 21 individually packaged bags, 4 plastic bags containing approximately 10 grams of alleged Cocaine, 6.6 grams of alleged Crack Cocaine in 9 individually packaged bags, 46.5 grams of alleged Methamphetamine in 24 individually packaged bags, 30 dosage units of alleged Ecstasy, and a Rossi .38 Revolver serial number W25940.

While searching JONES bedroom, TFO Williams found a safe under the bed. TFO Williams gained access to the safe and found 3 plastic bags that contained 145 dosage units of alleged Ecstasy, 4 individually packaged plastic bags containing 104.8 grams of alleged Marijuana, a rectangular shaped package that contained 503.4 grams of alleged Marijuana, and 5 plastic bags containing 337.7 grams of alleged Methamphetamine. The alleged Methamphetamine was field tested and yielded a positive result.

JONES was then transported to the Stone County Regional Correctional Facility where he was processed according to DEA policy pending an Initial Appearance in Federal Court.

CONCLUSION

Based upon my experience as a DEA Task Force Officer and the facts listed above involving Eric Dejuan JONES, it is my opinion that there is probable cause to believe that Eric Dejuan JONES committed violations of Title 21 U.S.C. § 841 (a)(1) in the Southern District of Mississippi, to wit: possession with intent to distribute a controlled substance.
